

HUD ENTITLEMENT FUNDS

Franklin County is the administrative authority of three HUD entitlement grants: the Community Development Block Grant (CDBG), the HOME Investment Partnership allocation and the Emergency Solutions Grant (ESG).

The CDBG grant fund is used to fund a variety of programs and projects that benefit low- and moderate-income County residents. These projects range from infrastructure improvements and economic development loans and grants, to homeowner rehabilitation programs, public services and fair housing initiatives.

The HOME program funds are used to provide loans and grants to homeowners, to owners of rental property and to nonprofit community housing development organizations for acquisition, rehabilitation and the construction of affordable housing units.

The ESG Grant is awarded to the Community Shelter Board who allocates the money to various homeless shelters to support their operations.
