Draft Policy Recommendations Document

Brown Township Comprehensive Plan

Land Use Recommendations

- Page 19: Conservation Development graphics – Areas of private residential lots changed from yellow to light green to convey sense of open space; preserved conservation areas still shown as dark green.
- Removed Action 10 – Adopt a stormwater utility fee to improve failing drainage infrastructure.

Future Land Use Map (page 25)

- Hilliard Growth Area now shown

Community Recommendations

- Page 29: Second vision statement – Changed “prominent” to “visible”
- Page 34: Action 14 – Changed “Annexation Agreement” to “Non-Annexation Agreement”

Transportation Recommendations

- Page 35: Consolidated vision statements into a single statement – “A road system that preserves rural character and safely accommodates all users.”
- Page 36: Action 3 – Added intersection of Walker and Davis Roads to list of priority intersection improvements.
- Page 37: Rural Road Design graphics – Removed shared-use path from graphic since none are proposed.
- Page 38: Added Action 7 – “Discourage proposed Hilliard road alignment with Morris Road” and supporting text.

Bikeways Map (page 41)

- Hilliard Growth Area now shown
- Only shows paved shoulder bikeway recommendations of this plan in color; all others are shown in gray as “Proposed by Others” (MORPC, Hilliard, Columbus, etc.)
